What worship looks like during the COVID-19 situation:

Join us Sunday at 10am for our time of worship together online.

How to Join Us:

If you are on Facebook: Go to the St. Paul's Cathedral, Kamloops BC page. The live stream of the service will begin at 10am and should appear for you at that time. If it doesn't, refresh your web browser and try again!

If you are not on Facebook: You should still be able to access the live streaming of the service without making an account. Go to this link: [Facebook Link](#) and the live stream should begin at 10am. **You may need to say "no" to the invitations to create an account.**

Can't join us at 10am on Sunday? No worries! The service will stay on the Facebook page for St. Paul's and within a few hours will also be uploaded onto the Cathedral website for your viewing.

We look forward to gathering with you on Sunday morning
through the ways that technology offers to us

**Watch the Facebook page for wise words from Ken on a weekly

Children & Youth Ministry

Dear families,
Have you been going on walks or local hikes together? I hope you are getting outside to enjoy the sunshine and even the rain! Next time you head out consider taking a verse from one of the psalms with your... you could write it out and carry it in your pocket, speak it to a tree, or find a place to sit and reflect on it. Does anything from the psalm connect to your time outside?

Here are a few verses to get you started:

“They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither.” Psalm 1:3

“My steps have held fast to your paths; my feet have not slipped.”
Ps 17:5

“Lead me to the rock that is higher than I; for you are my refuge, a strong tower against the enemy.” Ps. 61:2-3

Melissa available to connect with families, children and youth via email, phone, MessengerKids, and video chat. She can also be reached at stpaulscathedralyouth@gmail.com or call/text 250-682-4866.

Building is CLOSED

Please know that St. Paul's Cathedral is closed until further notice for all uses. If anyone requires access to the building please leave a message for warden Jon Buckle at 250 571 0675. Please stay home, for yourself, and for everyone.

While most folks are approved for accessing the building, a few people still forget or may still be unaware to get advanced authorization (from Jon Buckle at 250 571-0675)

Additionally there are hand sanitizer dispensers for hands and disinfectant sprays to use to wipe down any door handles and other surfaces touched. A number of people have not been doing this.

As we have several people with elevated risk for respiratory problems, please follow these procedures consistently to keep everyone safe!

Thank you,
Jon

Bell Ringing

This week we are thanking the McVie Family and Pam Gramiak for ringing the bells in support of our front line workers.

The Circular

As an activity for the time that we are confined to our homes I invite all you would be Ernest Hemingways and Margaret Atwoods to write a piece for the Circular about Family. It can be the history of your family, or an amusing story, or your adventures climbing the family tree, or what "family" means to you. You can tell us about your relatives near and far, your in-laws and your out-laws, etc. Tales of your fur babies are also welcome. It doesn't need to be the great Canadian novel, anything from a page or two to a paragraph or two is good. The deadline for submissions is June 15, but I could be flexible by a day or two.

Happy writing.

VST Summer School – News!

Vancouver School of Theology is pleased to announce its plans for July summer school programming. Almost all courses will continue as planned, with several re-scheduled into the 2021 Summer

School program. In light of global solidarity efforts to eliminate the threat of Covid-19, all courses will be taught in virtual classrooms using Zoom, which allows for easy face-to-face interactions with teachers and classmates.

Vancouver School of Theology has been using Zoom with great success with it's growing number of distance students, and is pleased to extend this opportunity to its summer school participants. VST has been doing online education for 4 years now so our online delivery of courses is a quality learning experience.
