Here are some things you should know.

Bulletin for May 10, 2020

What worship looks like during the COVID-19 situation:

Join us Sunday at 10am for our time of worship together online.

How to Join Us:

If you are on Facebook: Go to the St. Paul's Cathedral, Kamloops BC page. The live stream of the service will begin at 10am and should appear for you at that time. If it doesn't, refresh your web browser and try again!

If you are not on Facebook: You should still be able to access the live streaming of the service without making an account. Go to this link: [Facebook Link](#) and the live stream should begin at 10am. **You may need to say "no" to the invitations to create an account.**

Can't join us at 10am on Sunday? No worries! The service will stay on the Facebook page for St. Paul's and within a few hours will also be uploaded onto the Cathedral website for your viewing.

We look forward to gathering with you on Sunday morning
through the ways that technology offers to us

Tomorrow!
Virtual Coffee with Ken, Kathie and Melissa

**Join us on ZOOM for a "virtual coffee hour" at 10am on Thursday
May 6, 2020**

This will be a time for conversation and checking in with those who drop by. It will be a new format for us all - so we'll see what works and what we can do differently as we seek to be together and support one another in new ways.

ZOOM is a platform that allows for video and audio presence, if your technology has those pieces, as well as the ability to phone in for conversation.

(If you are experiencing difficulty with joining us during the scheduled time, after trying the below instruction, call Melissa at 250-682-4866 and she will try to walk you through it!)

Access is fairly simple, follow these instructions:

Children & Youth Ministry

Dear families,

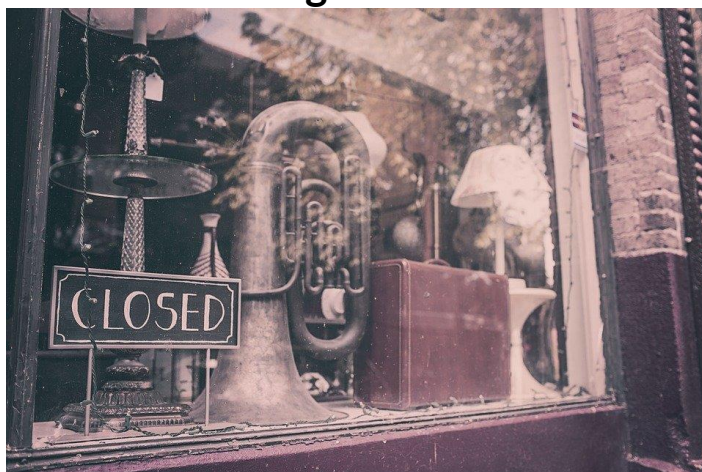

Have you seen anything this week that made you stop in your steps and look more closely? On one of my walks I found myself stopping in my steps to take a closer look at some red tulips that had rough/fringed edges instead of smooth edges, I gave thanks to God for the layers of detail that can be found in the natural world. Have any of the details in nature stood out to you?

Thank you Claire for sharing this photo of painted rocks in her garden pot!

Melissa is available to connect with families, children and youth via email, phone, MessengerKids, and video chat. She can be reached at stpaulscathedralyouth@gmail.com or call/text [250-682-4866](tel:250-682-4866).

Building is CLOSED

Please know that St. Paul's Cathedral is closed until further notice for all uses. If anyone requires access to the building please contact John Buckle. Please stay home, for yourself, and for everyone.

While most folks are approved for accessing the building, a few people still forget or may still be unaware to get advanced authorization (from Jon Buckle at 250 571-0675)

Additionally there are hand sanitizer dispensers for hands and disinfectant sprays to use to wipe down any door handles and other surfaces touched. A number of people have not been doing this.

As we have several people with elevated risk for respiratory problems, please follow these procedures consistently to keep everyone safe!

Thank you,

Jon

The Circular

As an activity for the time that we are confined to our homes I invite all you would be Ernest Hemingways and Margaret Atwoods to write a piece for the Circular about Family. It can be the history of your family, or an amusing story, or your adventures climbing the family tree, or what "family" means to you. You can tell us about your relatives near and far, your in-laws and your out-laws, etc. Tales of your fur babies are also welcome. It doesn't need to be the great Canadian novel, anything from a page or two to a paragraph or two is good. **The deadline for submissions is June 15, but I could be flexible by a day or two.**

Happy writing.
